

I, _____ attest that my students have been educated on Covid-19
Print name

by our college/university prior to attending clinical at CHI facilities. I can provide the educational material if audited by the Student Manager of CHI. I attest that our college/university has a policy in place to allow faculty and students into the clinical environment.

The students have received the following education regarding COVID-19:

- Surveillance and Detection
- Isolation, Quarantine, and Containment
- Standard, Contact, and Airborne Precautions
- Proper Handwashing, Cough, and Respiratory Etiquette
- Selection and Appropriate Use of Personal Protective Equipment (PPE), infection prevention practices including PPE donning and doffing
